

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

*My life and health issues would be greatly affected. I see this as not only unnecessary but an infringement of my rights as a citizen of this country. Stay out of my medical needs.*
